REMARKABLE CALM IN NORWEGIAN CAPITAL

Members of Cabinet Extremely Busy Forming New Government and Preparing for Possible Future Events.

NORWAY IS READY FOR CALL TO ARMS

Prepared to Defend Action of Storting Should it be Necessary.

CHICAGO NOWEGIANS CIRCULATING PETITION TO PRESIDENT ROOSEVELT ASKING THAT UNITED STATES FORMALLY RECOGNIZE NEW GOVERNMENT AT THE EARLIEST POSSIBLE OPPORTUNITY.

By Associated Press. Christiana, Norway, June 10.—A remarkable calm, accompanied by stern determination pervades Norway. Beyond the display of the new Norwegian flag from the buildings and portraits of the provisional governors in shop windows, which attract small crowds there are no visible signs here that Norway is in the throes of revolution.

Norwegian and Swedish merchants continue to do business uninterrupted. Officials here express confidence that Sweden finally will accept the situation.

The members of the cabinet are extremely busy forming the new government and preparing for future events, and the intense activity is evident. Norway is prepared to make a call to arms should occasion demand it.

CHICAGO NOWEGIANS PETITION ROOSEVELT. Chicago, June 10.—A petition to President Roosevelt asking him to recognize the government of Norway is being circulated in Chicago among Norwegians. It will be forwarded to Washington as soon as the canvass is completed.

The petition, after summing up the action of the Norwegian Storting in deposing the King, says: "We do earnestly hope and respectfully petition that you will, at the earliest opportunity, signify your recognition of the new government of Norway, so created by sovereign will of the Norwegian people, as expressed by the unanimous action of their representatives in the Storting assembly."

Mrs. Caroline Pfefferle, one of the oldest residents of Pensacola, expired yesterday morning at the home of her daughter, Mrs. W. A. Gahlenbeck, No. 509 East Jackson street, after an illness extending over a period of several years. She had reached the age of 77 years and 5 months. The deceased was the widow of J. C. Pfefferle, who resided in Pensacola for many years. She was born in Lauterbach, Baden, Germany, on December 23, 1827, and came to America in 1851, marrying J. B. Pfefferle in Mobile, Ala., in 1855. Mr. and Mrs. Pfefferle came to Pensacola shortly afterwards and she had since resided in this city.

TEAMSTERS STRIKE IS NOW A QUESTION OF ENDURANCE

NO PROPOSALS OF PEACE FROM EITHER SIDE AND EMPLOYERS WILL MAKE NO FURTHER OVERTURES — STRIKE PRACTICALLY OVER SO FAR AS BUSINESS IS CONCERNED.

By Associated Press. Chicago, June 10.—No proposals of peace came from either side in the teamsters' strike today and for the present at least, the contest has settled down to a matter of endurance. The employers state emphatically they will not make any more overtures to the teamsters, but are willing any time to receive propositions from them.

Secretary Sinclair, of the Employers Association stated today that so far as doing business was concerned the strike was practically over. The employers have twenty-three hundred teams in service and claim to be doing the normal amount of traffic.

Congressman Patterson Praises The President

By Associated Press. Memphis, June 10.—In an address tonight at the annual banquet of N. B. Forrest Camp, Sons of Confederate Veterans, Congressman Malcom R. Patterson paid a high tribute to President Roosevelt. The subject of Mr. Patterson's address was "The Duty of the Son of the Confederate Soldier to his Country." In the course of his remarks he touched on the sentiment

of the southern people to the attitude of the President on the race problem. Mr. Patterson said, among other things: "His (the President's) many acts of conciliation and courtesy to the southern people have convinced me, as it has others, that what appeared as a national insult was really inadvertant and motiveless." His remarks were warmly applauded.

TRIUMPH OF DIPLOMACY

Was the Successful Culmination of Roosevelt's Efforts.

FORMAL NOTES OF RUSSIA AND JAPAN, PRELIMINARY TO MEETING, WILL BE TRANSMITTED THROUGH THEIR WASHINGTON REPRESENTATIVES — REPLIES FROM BOTH RECEIVED AT STATE DEPARTMENT.

By Associated Press. Tokio, June 10.—Japan has agreed to President Roosevelt's suggestion to appoint plenipotentiaries to meet the Russian plenipotentiaries.

Russia is Willing. St. Petersburg, June 10.—It was stated at the foreign office this afternoon that Russia was ready to appoint representatives to hear the Japanese proposals, on being informed that Japan was nominating representatives for this purpose.

Triumph of Diplomacy. St. Petersburg, June 10.—The text of President Roosevelt's personal appeal to the sovereigns of the warring countries to arrange a meeting for the purpose of agreeing on terms of peace came like a bombshell to the sceptics who refused to believe the president's effort could succeed. It is regarded as a diplomatic triumph of the first magnitude and diplomats made no attempt to conceal their admiration of the new world brand of diplomacy which acts while the rest of the world thinks.

It is expected that the formal notes of Russia and Japan will be transmitted through their Washington representatives, but the situation is how such as to leave no doubt of the acceptance by both and the question of place and selection of plenipotentiaries will follow.

To Meet in Washington. Washington, June 10.—From an authoritative source today it is said to have been practically determined that the plenipotentiaries of Japan and Russia, for arranging terms of peace, will meet in Washington.

JAPAN AND RUSSIA REPLY TO ROOSEVELT.

Washington, June 10.—The acceptance of the President's "offer of good will" has reached the state department in a cablegram from Minister Grisco. The Russians reply followed later but not in time to be deciphered tonight. It is expected both cablegrams will be made public tomorrow.

DREDGE ONLY SLIGHTLY INJURED

THE CAUCUS WILL BE DELAYED FOR ABOUT TWO WEEKS, BUT INJURIES ARE NOT SERIOUS.

The dredge Caucus, which was injured by going ashore near Freemont, L. I. last week, is not as badly damaged as was expected. In fact it is anticipated that within two weeks the vessel will be in condition to make her trial trip.

A private letter was received yesterday from Captain Frank M. Dunn, of this city, which stated that the dredge was then on the dock and was not injured to any extent, and that the delay would not be longer than two weeks. After being floated the dredge proceeded to the Brooklyn navy yard, where she was taken in dock and an examination made. While she was injured, the repairs will not require much time, and the vessel will probably sail during the latter portion of this month for Pensacola.

PERSISTENT ATTEMPTS TO FIRE STATE REFORMATORY

INCENDIARIES MAKE THREE SEPARATE EFFORTS TO DESTROY MARIANNA INSTITUTION, AND CONSIDERABLE PROPERTY HAS BEEN DAMAGED—BOY AND GIRL SUSPECTED.

Special to The Journal. Marianna, June 10.—Three attempts have been made to fire the Reform School No. 1, where the whites are incarcerated. Mr. Rawls, was away on business and about 5 o'clock his wife discovered the barn was on fire. The alarm was given and when aid from School No. 2 arrived it was too late to save the contents but the fence was cut down and the fire prevented from spreading. The loss of feed and farming utensils was about \$800 or \$1,000. The superintendent arrived at the finish.

Monday's fire was discovered in one of the cell beds. It was thought this blowing through the grate onto the bed. Only the wall was charred and the bed burned.

Wednesday evening while the superintendent was at supper smoke was discovered coming from one of the front rooms where a bed had been maliciously fired under the mattress. This proved that the incendiary was one of the two inmates, one a boy 11 years old, and the other a girl 16 years. Sufficient evidence has not been secured to convict either. They are both under guard.

On the inside of the building is a good deal of woodwork and had the fire secured headway the building would have been a total loss for the water supply is of the poorest.

County examinations for the teachers were held this week.

Court begins next week with Judge Francis Carter on the bench.

A revival at the Methodist church closed Wednesday with eighteen additions to the Methodist church and three to the Baptist.

LOCAL POSTOFFICE NOW RATED AS FIRST-CLASS

OFFICIAL COMMUNICATION RECEIVED FROM THE POSTOFFICE DEPARTMENT TO THIS EFFECT. COMMENCES JULY 1.

Postmaster Northup yesterday received official information that the local postoffice has been placed in the class of first-class postoffices. This is to take effect on July 1, according to the official information received by the postmaster from Washington.

The fact that the local office has been made a first-class office means that the postmaster and a number of the clerks will receive raises in salary. The postmaster will, after that date, receive \$3,000 per annum, and the clerks will also get raises. Postmaster Northup has recommended to the department that about 75 per cent of the clerks get an increase in pay, which will no doubt be allowed. The increase in the clerk and carrier forces has been large during the year. Four new clerks have already been added, and another one has been asked for, to be appointed on July 1.

In order to become a first-class office it is necessary that the sale of stamps exceed \$40,000 in one year. This does not include the money order business, but solely the business transacted through the stamp window. During the past year, ending March 31, the sales of stamps at the local office amounted to \$43,260.36, and of course this rated the office as first-class.

The letter received yesterday from Washington is as follows: "Postoffice Department—Office of First Assistant Postmaster General Salary and Allowance Division. Washington, June 8, 1905. "Sir—In compliance with the act of

Congress, approved March 3, 1883. (Section 255, Postal Laws and Regulations, edition of 1902), the returns from your office for the four quarters ending March 31, 1905, have been reviewed, and, upon the basis of the gross receipts as therein shown, your salary as postmaster has been fixed at \$3,000 per annum, from July 1, 1905, and your office has been assigned to the First Class.

Very respectfully, "F. H. HITCHCOCK, "First Asst. P. M. General, "Postmaster, Pensacola, Fla."
